

2019 GENEVA CITY REPUBLICAN COMMITTEE PLATFORM

Just as the City of Geneva is Uniquely Urban, the City of Geneva Republican Committee is Uniquely Republican. We focus on City of Geneva issues, which are often different than county, state and national issues.

Local issues don't always have a party position. It comes down to doing the best thing for the City of Geneva. We are always in favor of that.

We're strong on values and sticking to them. We believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

Here are some characteristics that our city possesses and for which we should work hard to preserve and improve:

- Economic prosperity**
- Natural beauty and setting**
- Small town character**
- Art, architecture and cultural assets**
- Cultural heritage**

We want our city to be Sustainable (environmentally and fiscally), Diverse (economically, ethnic and culturally), Connected (with each other) and Fair (social equity).

We will preserve and improve the overall beauty of our city.

We will work for housing options for all the people of the city.

We believe the strength of the nation lies with the individual and that each person 's dignity, freedom, ability and responsibility must be honored.

We believe free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We believe government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We believe the most effective, responsible and responsive government is the government closest to the people.

We believe Americans value and preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

Finally, we believe the Republican Party is the best vehicle for translating these ideas into positive and successful principles of government.
