Hi Jim,

Please see attached documents. This is what we've gathered so far. I am still working on the City Hall renovations in 2011, the Visitor Center in 2013 or the Welcome Center in 2017. I will keep you posted.

Thank you.

Doris

Doris,

This is what I have. I still do not have anything from the city hall renovations in 2011, the visitor's center in 2013 or the welcome center in 2017.
