Jim,

I am in receipt of your FOIL requests asking for complaints, adjudications, claims and disciplinary actions relating to Officers Vine, Montesanto, Colton, Bendzlowicz and Choffin. Due to the availability of staff to produce your reports (my counterpart is on furlough due to the Corona Virus), the amount of time it will take to gather the information and the scope of this request, I will need more than the 5 day turnaround time. I anticipate it will take us 90 days to complete. I am not able to guarantee this time, if we are able to complete it sooner, I will let you know, but please be advised if I need more time, I will also let you know. I appreciate your patience!

Susan
